AMA FIM North America Race Format:

Competition for individual riders: 16 riders plus Track Reserves (track reserves do not have to come from the series reserve list) will compete in each meeting.

The meeting will be composed of 20 heats. Each rider races 5 times and races each opponent once.

All heats will be run with a maximum of 4 riders over 4 laps.

Riders will be awarded race points according to their finish position in each race: 3 points for first place, 2 points for second place, 1 point for third place and 0 point for fourth place.

Final positions will be determined by total points scored in the event.

After heat 20 if there is any tie in points for positions 1-3, a run-off or run-offs will be staged to determine the final finishing position. Gate choice in any run-off will be determined by ballot.

All other heats have pre-fixed starting positions in accordance with the Race Format.

Between each round of heats (intermission aside) there is a 7-minute break between the end of the previous race and two-minute warning for the next. This time frame may be adjusted by Clerk of the Course in event of race falling behind time schedule and to meet 10pm curfew.

In the event of the event being shortened due to weather or some other situation, the result shall be declared if the event has run beyond 3 rounds (12 heats). If the event is abandoned mid round the results will go back to the last completed round.

If the event is abandoned before the completion of Round 3 it shall be deemed as void and be restaged at a date TBD.

Ties: After the completion of Heat 20.

When establishing the order between the riders in the list of Intermediate Classification at the conclusion of Heat 20 any ties outside of for positions 1st, 2nd and 3rd will be solved as follows:

- a) Precedence will be given to the riders (tied on race points) having the greatest number of 1sts, 2nd, 3rd, or 4th placings (a "0" for last placing is better than being disqualified for whatever reason).**
- b) If the tie persists and involves only 2 riders, precedence will be given to the better-placed rider in the heat or heats where the 2 riders met.**

c) If the tie persists and involves more than 2 riders, it shall be checked whether there is a possibility to determine a proper precedence (e.g., 3 riders tied on points: A, B, C:

- * Rider A has beaten rider B
- * Rider A has beaten rider C
- * Rider B has beaten rider C

Then the precedence will be best position for rider A, then rider B and then rider C.

Ties for positions 1st, 2nd and 3rd will be determined by run off unless the result has been declared early for a rain out or another factor. In such a case countback will be used. If a tie cannot be broken by countback in a shortened event, finishing positions in 2019 AMA FIM North America Final will determine tie break.

2021 Grand Prix Qualifiers The top two finishers from this event will be invited to represent AMA in the 2021 Speedway Grand Prix Qualifying Rounds. The highest placed rider will be given preference of round choice. In the event of a qualified rider not electing to compete in the 2021 GP Rounds, the next placed rider, or riders in line in final event classification will be offered the place. USA Team manager is liaison for all qualified riders.
